

CICO Graduation

Mt. Pleasant Elementary Maury County Schools

Mt. Pleasant Elementary began Check-In/Check-Out (CICO) at the beginning of the school year as part of their Tier II system. **Initially there were 21 students enrolled in CICO. At the end of the first 9 weeks of school, 12 students met their goal of 80% or higher for at least 6 weeks!** A graduation party was held to celebrate these students' success.

During second 9 weeks, the team reviewed their Tier II data sources and identified new students who were in need of support. **They began with 36 students enrolled in CICO, and at the end of the 9 weeks, 13 students were eligible for graduation after consistently meeting their goal!** These 13 students, along with those who graduated in the first 9 weeks, were invited to a graduation and CICO alumni celebration!

Currently, Mt. Pleasant Elementary has 22 students enrolled in CICO. They are gearing up for another graduation party where CICO alumni (who have maintained good standing) will be invited to celebrate.
